NATIONAL EGG MARKET AT-A-GLANCE

Prices were lower on all sizes in Chicago. In most other locations, prices were unchanged. The market tone was generally steady and attempting to settle. Demand into all outlets was light to good, best where limited features were in progress or planned for next week. Supplies of all sizes were adequate to ample. The Central States breaking stock offerings were adequate and demand was moderate. In the Eastern region, breaking stock supplies were adequate to ample for the light demand. Light type fowl were sufficient for slaughter needs.

NORTH ATLANTIC Prices paid to producers in New England were 2 cents higher for extra large and large, unchanged on the remainder of sizes. In Philadelphia and Boston, prices were unchanged. The market tone was generally steady and attempting to settle at current levels. Demand ranged light to good with improvement noted on brown eggs. Supplies of white eggs were adequate to occasionally ample and brown eggs were tight with premiums paid on graded and nestrun product. Breaking stock offerings were adequate to ample for the light demand. Light type hens were sufficient for slaughter requirements.

NEW YORK Prices were unchanged on all sizes. The market tone was generally steady and attempting to settle at present levels. Demand was light to moderate with limited feature activity. Supplies were adequate to instances ample for trade needs.

MIDWEST Prices to producers in Iowa-Minnesota-Wisconsin were 3 cents lower for large, down 2 cents for medium and were not changed for small. Prices were unchanged in other areas. The trade sentiment was about steady. Retail demand was light to fair, with the best interest coming from planned feature activity. Food service movement was generally moderate. Supplies were adequate to instances ample for current needs. Central States nest run breaking stock prices were mostly unchanged. Trading and demand moderate for the adequate to available offers. Some graded product remains available. Most buyers satisfied with regular commitments and company owned production. Finished product demand light to moderate. Floor stocks adequate to fully adequate. Schedules were mostly full-time. Trade sentiment steady to about steady. Light type hens were fully adequate to ample for current slaughter needs.

CHICAGO Prices for extra large and large declined 3 cents, mediums dropped 2 cents. The trade sentiment was steady to barely steady. Retail and food service demand mixed and ranged from light to good, best where limited features are planned or in progress. Feature noted on large buy one get one free. Supplies fully adequate to instances ample.

SOUTHERN Prices were unchanged. Asking prices for next week's deliveries were generally trending lower than current week. The market tone was cautiously steady and attempting to settle. Demand ranged light to moderate entering the weekend. Supplies were adequate to ample. Breaking stock supplies were adequate to ample and demand for additional product was light. Light type fowl were sufficient for processing needs.

WEST COAST Prices unchanged. The market tone was very weak with asking prices for next week throughout the region 14 cents lower on jumbo, 15 cents lower on extra large and large, and 11 cents lower on medium. More traders felt next week's change will put the market at or near the bottom. Retailer demand moderate. Offerings ample.
